Gender Sensitization Action Plan 2024-2025

Swa. Sawarkar Mahavidyalaya, Beed, a Higher Education Institution, is committed to provide a safe, inclusive, and gender-sensitive environment to all its stakeholders. College has inclusive environment and provides equal opportunities without discrimination on gender basis. The college takes special efforts in holistic development of female students. Along with the academic development, college takes concern of safety and security as well as protecting self-esteem of female students and staff members. This is achieved through functioning of College Development Committee, Internal Complaint Committee, Grievance Redressal Committee, Anti-Ragging Committee, Discipline Committee, etc. Gender sensitization action plan of college is as follows:

- No Discrimination on gender at the time of admission as well as in entire functioning of institute.
- Secured campus through fencing, restricted entry and CCTV surveillance
- Compulsion of I-card for every student to maintain discipline in college campus.
- Provision of grievance box for complaints of female students
- Zero tolerance towards sexual harassment.
- Establishment of formal mechanism to deal with issues related to gender discrimination, abuse and sexual harassment.
- Organization of counselling program for female students
- Organization of gender equity awareness program for both male and female students
- Presentation of role models through celebration of commemorative days.
