Employer Respondents Detail Explanation:

- 1. Curriculum is need based:** During the academic year 2023-24, feedback on the curriculum was provided by a total of five employer respondents. Among them, 60% rated the curriculum as excellent in terms of meeting needs, while 40% rated it as good. Notably, no respondents selected the options of average or below average.
- 2. Scope given to employability/skill development:** The majority of employer respondents (80%) rated the curriculum's provision for employability and skill development as excellent, while 20% rated it as good. No responses were recorded for the average or below-average options in this area.
- 3. Depth of course content with relevance to practical/ technical skills:** Out of the total five employer respondents, 40% rated the aspect as excellent, while 50% rated it as good. Not a single respondent selected the average or below-average options in this case.
- 4. Inclusion of course content suitable to my industry:** The fourth aspect of the survey focused on the inclusion of course content relevant to the respondents' industries. Among the total employer respondents, 60% rated this aspect as excellent, while 40% rated it as good. Notably, none of the respondents selected the average or below-average options for this aspect.
- 5. Relevance to current knowledge and information:** It was observed that 40% of employer respondents rated the relevance of the curriculum to current knowledge and information as excellent, while 60% rated it as good. The options for average and below average were not selected by any respondents in this regard.
- 6. Importance given to learning values:** Among employer respondents, 40% rated the emphasis on learning values in the curriculum as excellent, while 60% rated it as good. The options for average and below average were not chosen for this aspect.
- 7. Communication/Presentation Skill development through curriculum:** The seventh aspect of the feedback focused on the development of communication and presentation

Beed.

skills through the curriculum. The collected data revealed that 60% of employer respondents rated this aspect as excellent, while 40% rated it as good. None of the respondents selected the average or below-average options for this parameter.

8. Encouragement to independent thinking: The majority of employer respondents (60%) indicated that the curriculum's encouragement of independent thinking was excellent, while 40% rated it as good. No respondents selected the average or below-average options for this aspect.

9. Amalgamation of Marginal/Leadership ability: It is observed that 60% of employers consider the curriculum's incorporation of managerial and leadership abilities to be excellent, while 40% rated it as good. No respondents selected the average or below-average options for this aspect.

10. Encouragement to development of human resources: A majority of employer respondents (40%) rated the curriculum's encouragement of human resource development as excellent, while 60% rated it as good. The options for average and below average were not selected for this aspect.

11. Fulfillment of demands at our workplace: The second-to-last aspect of the feedback, regarding the fulfillment of workplace demands by the curriculum, revealed that 40% of employer respondents rated it as excellent, while 60% rated it as good. No respondents selected the remaining two options.

12. Overall Rating: The final and most important parameter of the feedback concerned the overall rating of the curriculum. According to the gathered data, the majority of respondents (80%) rated the curriculum as excellent, while 20% considered it good. No respondents selected the average or below-average options.

Conclusion:

The consolidated feedback report from employers regarding the curriculum has been shared with all Heads of Departments (HODs), Coordinators, and relevant officials across different departments for further review and decision-making.
