Institute takes several measures and practices as a part of keeping campus green and clean and environmental friendly.

This includes:

1. Use of alternate sources of energy
2. Practices for energy conservations
3. Waste management protocols
4. Practices for water conservations
5. Green campus initiatives

College administration takes necessary measures for keeping campus green.

A) Energy conservation measures

- Installation of solar unit to meet the energy requirements of the campus
- Promoting the use of sensor based system for energy conservation
- Promoting the use of LED and power efficient equipments with good ranking
- Awareness in stakeholders about careful use of electric equipments
- Energy audit for assessing energy usage and its impact on environment

B) Waste management measures

- Awareness among stakeholders regarding 4 Rs: Refuse, Reuse, Reduce and Recycle
- Zero tolerance for use of single use plastic in campus activities
- Minimum use of papers and promotion to paperless circulation via e-mail and what's app
- Installation of biogas plant for use of waste

Principal
Swa.Sawarkar Mahavidyalaya,
Beed.

- Installation of compost unit for treatment of solid waste
- Installation of effluent treatment plant for avoiding water pollution
- Proper disposal of biomedical and e-waste

C) Water Conservation measures

- Awareness among stakeholders about careful use of water and other natural resources
- Provision for rain water harvesting and recharge of bore well in college premises
- Storage of water and its proper distribution in campus
- Periodic maintenance of fresh water line to avoid the spillage
- Reuse of waste water for gardening

D) Green campus initiatives

- Awareness among stakeholders about conservation of nature and natural resources
- Awareness program in society for conservation of nature
- Landscaping with trees and plants in college premises and tree plantation drives beyond campus
- Awareness about minimizing the use of automobiles, observing a day in a week as 'No Vehicle Day'
- Promoting the use of bicycles and e-vehicles
- Provision of pedestrian pathways for safe and easy walk in college campus

Detail Report 2022-2023

Title of Programme:		Nation Building Soil Improvement Mission		
Name of Organizing Department/Unit:		National Service Scheme 2022-2023		
Name of the Coordinator(s)/Convener(s)/Organizer(s) of the Programme:		Dr. Omprakash Bansilal Zanwar Dr. Sangita Supadaji Sasane Shri Kale Sanjay Ramchandra		
Date(s) of the Programme:		27.11. 2022		
Venue:		Seminar Hall		
Target Group:		Student/Teacher/Village People		
Number of Participants:		Male	Female	Total
	Teaching	18	10	28
	Non-teaching	-	-	-
	Students	25	10	35
Name(s) and details of Resource Person(s),		Dr. Priti Pohekar Dr L.G.Bahegavankar Dr. Rajesh Dhere Mr. Ajit Dadas		
Topic		Nation Building Soil Improvement Mission		
Total Expenditure for the Programme:				
Source of Funding:		NSS SCHEME		

Brief Summary of Events/Sessions:

Nation Building Soil Improvement Mission

On November 27, 2022, a Soil Enrichment Method Workshop was conducted under the **Rashtra Nirman Mrida Samriddhi Abhiyan** in association with National Service Scheme Swa.Sawarkar College Beed and Main Stream Social Welfare Foundation, Pune. The workshop was presided over by Dr. Priti Pohekar, the principal of the college. In this workshop, Mr. Ajit Dadas, Director, Main Steam Social Welfare Foundation gave the main guidance. We are working in the field. Due to the excessive use of chemical fertilizers and

Principal
Swa.Sawarkar Mahavidyalaya,
Beed.

drugs by the farmers in our country for the purpose of getting more production, the production is decreasing due to the killing of bacteria in the soil. Agricultural production has decreased How the workshop is beneficial for increasing agricultural production Soil Enrichment Methods ,He said it takes thousands of years to build soil To improve soil quality soil needs mainly organic matter to enrich it When we know soil enrichment methods to increase soil productivity We all know the damage to soil He said that this is a workshop to think about how it can be avoided.

Program Officer Dr. Omprakash Zanwar, Prof. Sanjay Kale Dr. Sangeeta Sasane and all the volunteer students ,staff were present.

.Conclusion, with Feedback on the Programme:

Agricultural production has decreased How the workshop is beneficial for increasing agricultural production Soil Enrichment Methods ,He said it takes thousands of years to build soil To improve soil quality soil needs mainly organic matter to enrich it When we know soil enrichment methods to increase soil productivity We all know the damage to soil He said that this is a workshop to think about how it can be avoided.

**स्वा. सावरकर महाविद्यालय, बीड
आजीवन शिक्षण व विस्तार विभाग
वृक्ष संवर्धन कार्यशाळा**

स्वा. सावरकर महाविद्यालयात वृक्ष संवर्धन कार्यशाळा संपन्न

दुष्काळजन्य परिस्थितीमध्ये अत्यंत कमी पाण्यामध्ये अधिक काळ झाडे जगू शकतात यासाठी वेगवेगळे प्रयोग करण्याची आवश्यकता आहे. असाच एक प्रयोग बीड येथील स्वातंत्र्यवीर सावरकर महाविद्यालयातील आजीवन शिक्षण व विस्तार विभागाच्या वतीने करण्यात आला.

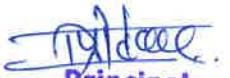

दिनांक ०४ डिसेंबर २०१८ रोजी महाविद्यालयात वृक्ष संवर्धन कार्यशाळेचे आयोजन करण्यात आले होते. या कार्यशाळेत उद्घाटन प्राचार्य डॉक्टर संजय शिरोडकर यांच्या हस्ते व उपप्राचार्य डॉ. राजेश ढेरे डॉ. लक्ष्मीकांत बाहेगळाणकर यांच्या उपस्थितीत झाले.

दैनंदिन जीवनात शुद्ध पाणी विकत घेऊन बाटल्या कचराकुंडीत टाकण्याचे प्रमाण अधिक आहे पण याच बाटल्यांचा उपयोग करून साध्या सुतळीच्या साह्याने आपल्याला आपल्या घरातील अथवा बागेतील व परिसरातील झाडांना अधिक काळ पाणी देता येऊ शकते यासाठी पर्यावरणप्रेमी नागरिकांनी टाकाऊ बाटल्या पासून झाडे जगवण्याचे काम करावे असे आवाहन आजीवन शिक्षण व विस्तार विभागाचे कार्यक्रमाधिकारी व या कार्यशाळेचे प्रशिक्षक प्रा. सचिन कंदले यांनी केले. यावेळी उपस्थित विद्यार्थ्यांना प्रत्यक्ष कृती कार्यक्रम देण्यात आला व शहरातील हॉटेलमधून एकत्रित केलेल्या बाटल्या प्रत्येकाच्या हाती देऊन प्रयोग करण्यात आला.

बाहेरगावी जात असताना आपल्या घरातील झाडांना किंवा परसबागेतील झाडांना अशा प्रकारे पाण्याची व्यवस्था आपण करू शकतो व झाडे जगवू शकतो असा संदेश या कार्यशाळेतून देण्यात आला.

आजीवन शिक्षण व विस्तार विभागाच्या वतीने आयोजित केलेल्या या कार्यशाळेतून विद्यार्थी आणि प्राध्यापकांनी प्रेरणा घेऊन अधिक ठिकाणी अधिक वृक्ष वृक्षारोपण व वृक्षसंगोपन करावे असे आवाहन प्राचार्य डॉ. संजय शिरोडकर यांनी उपस्थितांना केले. कार्यशाळेच्या शेवटी विद्यार्थ्यांनी तयार केलेल्या बाटल्यांतील पाण्याचे महाविद्यालय प्रांगणातील रोपांना पाणी देण्यात आले. या कार्यशाळेचे सूत्रसंचालन प्रा. डॉ. गोपाळ धोंड यांनी तर आभार प्रदर्शन प्रा. डॉ. अशोक डोके यांनी मानले.

कार्यशाळेचे प्रशिक्षक प्रा. सचिन कंदले यांनी केले. यावेळी उपस्थित विद्यार्थ्यांना प्रशिक्षण दिले.
