Institute takes several measures and practices as a part of keeping campus green and clean and environmental friendly.

This includes:

1. Use of alternate sources of energy
2. Practices for energy conservations
3. Waste management protocols
4. Practices for water conservations
5. Green campus initiatives

College administration takes necessary measures for keeping campus green.

A) Energy conservation measures

- Installation of solar unit to meet the energy requirements of the campus
- Promoting the use of sensor based system for energy conservation
- Promoting the use of LED and power efficient equipments with good ranking
- Awareness in stakeholders about careful use of electric equipments
- Energy audit for assessing energy usage and its impact on environment

B) Waste management measures

- Awareness among stakeholders regarding 4 Rs: Refuse, Reuse, Reduce and Recycle
- Zero tolerance for use of single use plastic in campus activities
- Minimum use of papers and promotion to paperless circulation via e-mail and what's app
- Installation of biogas plant for use of waste

Principal

Sw. Sawarkar Mahavidyalaya,
Beed.

- Installation of compost unit for treatment of solid waste
- Installation of effluent treatment plant for avoiding water pollution
- Proper disposal of biomedical and e-waste

C) Water Conservation measures

- Awareness among stakeholders about careful use of water and other natural resources
- Provision for rain water harvesting and recharge of bore well in college premises
- Storage of water and its proper distribution in campus
- Periodic maintenance of fresh water line to avoid the spillage
- Reuse of waste water for gardening

D) Green campus initiatives

- Awareness among stakeholders about conservation of nature and natural resources
- Awareness program in society for conservation of nature
- Landscaping with trees and plants in college premises and tree plantation drives beyond campus
- Awareness about minimizing the use of automobiles, observing a day in a week as 'No Vehicle Day'
- Promoting the use of bicycles and e-vehicles
- Provision of pedestrian pathways for safe and easy walk in college campus
