## MINORITY CELL

### Establishment of Cell:

Aiming to empower the Minority students this cell was established in 2017 in the college. The college gives special attention in facilitating financial support to students from these communities from government agencies and other sources. The cell is always busy to resolve the different problems of Minority students.

### Objectives:

- To implement the policy for Minority in the college in respect of admissions, scholarships and other similar matters in the College.
- To aware Minority students regarding various scholarships of State and Central Government.
- To give advice to Minority students about various issues and help them to manage academic activities.
- To resolve problems related to Minority students.
- To provide safe and secure environment for Minority students.

### SOP:

- The reservation policy for admission of students is strictly followed as per rules of Maharashtra Government.
- The cell makes sure that all the Minority students are well aware of the various scholarships and benefits of the Government schemes.

- The Cell looks after and makes sure that all the Minority students whether submitted or not their application of scholarships forms within time.
- The college strives to create an atmosphere where no student from the other backward classes is harassed.
- To circulate State Government and UGC's decisions about different scholarship programs.
- The cell works to communicate/mentor the students and motivate them for better career/opportunities in future.
